Gloria Guzman Teacher Scholarship
Privacy Policy
(Last updated: 03/31/2022)

Information We Collect and How We Use It

The Gloria Guzman Teacher Scholarship program, also recognized as GGTS, will collect personal information, such as First and Last Name, Date of Birth, Phone Number, Email Address, and Mailing Address that applicants provide for the purpose of contacting the selected recipients who will receive the GGTS Scholarship Award.

A photograph is requested that may be used, if selected, to help promote GGTS for future fundraisers, events, and scholarship ceremonies, but not limited to the mentioned.

Information such as High School Transcripts and Letters of Recommendation, Interests, Awards, and Hobbies, as well as the written essay and questions answered on the application will be shared amongst the GGTS team who will be reviewing the applications to make the final decision and choose the most qualified candidates to receive the GGTS Scholarship Awards.

We may share your information with trusted Benito Juarez Community Academy administrators who will assist the GGTS team in presenting the Scholarship Awards to selected recipients.

We DO NOT sell any of your information to any parties, organizations, or companies.

How the Information will be Used on the Internet and Social Media Platforms

Selected recipients of the GGTS program may be asked to give a testimonial that may be used on the GGTS website page and any Social Media advertising posts, along with their photo, as well as their First and Last Name. Social Media Features are either hosted by a third party or hosted directly on our site. Your interactions with these Features are governed by the privacy policy of the company providing them, which is beyond the control of the GGTS team, making the GGTS program and its representatives not liable for any damages this may cause the applicants related to GGTS team, its website and any Social Media platforms in any manner.

We use commercially reasonable physical, technological, and administrative safeguards designed to protect your personal data from unauthorized use, access, or disclosure. Email is not recognized to be 100% secure as a medium of communication, which is why we request that your information be sent using our Jotform secure application found in the GGTS website page. Jotform's 256 bit SSL based system is completely dependent on their servers. While the GGTS team relies on Jotform's security system, the GGTS team can not guarantee its absolute security.
